

A detailed painting of a medieval village square. The scene is set in a hillside town with stone buildings and red-tiled roofs. In the foreground, a large, leafless tree stands on the left. People in period clothing are engaged in various activities: some are on balconies, others are in the square, and a group is gathered near a stone archway on the right. The background shows a view of a valley and a distant sea under a blue sky. The entire scene is framed by a thin orange border.
